LOCAL MATTERS.

On rise tomorrow at 6:35 a. m., and at 5:39 p. m. High water at 5:32 a. m. and 6:02 p. m.

WEATHER PROBABILITIES.—For this section partly cloudy tonight and Tuesday; fresh westerly winds, becoming variable.

THE CHURCHES were fairly well attended yesterday despite the cold and wind.

At the Baptist Church Rev. J. H. Butler preached his farewell sermon at night. At this service he made several appropriate remarks in severing his connection as pastor of that church. Recently Mr. Butler tendered his resignation as pastor of that church, which was accepted. Today he will leave for his new field, at Trenton, Tenn.

Rev. Martin L. Luecke, the newly appointed pastor of the Immanuel Evangelical Church, was installed as pastor of that church by the Rev. H. Schroeder, of Washington. The services were conducted in the English language and were most interesting and impressive. Mr. Luecke's coming was recommended from Buck Valley, Pa. He is a graduate of Concordia Seminary, St. Louis, Mo., and was first pastor of Mount Olive English Lutheran Church in Milwaukee. The church has recently been enlarged and in its membership are some of Alexandria's leading citizens.

The night services at Christ Episcopal Church were conducted by Bishop Fausst, of Idaho and Wyoming, who delivered an interesting address on his missionary work.

Rev. Dr. D. P. Junkin preached at the Presbyterian Church. The regulations for Lent were read out in S. Mary's Church.

At the M. E. Church South the services were conducted by the pastor, Rev. E. V. Regester. The organ in this church, which has recently undergone extensive repairs, was played by Prof. W. Reiley, and a special solo was sung at the morning service by Miss Edith Lindsey. The singing of "One Sweetly Solenn Thought" by Miss Jessie Tabler, of St. John's Church, Washington, was one of the most affecting vocal renditions ever heard in this city. Miss Tabler has a sweet, plaintive contralto voice, and her singing of this simple sacred song held the attention of the large congregation present as if they were spellbound, each word of the beautiful hymn being distinctly heard throughout the church.

After the service Rev. Mr. Regester said that he was sorry that he had to break the spell by beginning to preach. After the services last night Prof. Reiley gave an organ recital, which was greatly enjoyed by all present.

The services at the Railroad Reading Rooms were conducted by the Rev. Dr. Powell, of the Theological Seminary. The resignation of Mr. W. L. Griffin, president of the Reading Room Workers, was not acted upon yesterday, as the president is sick.

LENTEN SERVICES.—Lent will begin Wednesday and special services will be held throughout this solemn season as follows:

Christ Church—Services Tuesdays and Fridays at 5 p. m.; special services Thursdays at 8 p. m.; holy week, Monday, Tuesday, Wednesday and Thursday at 7 a. m.; Thursday, holy communion at 8 p. m.; Good Friday, service at 11 a. m. The following preachers will officiate at the special service to be held every Thursday night at 8 o'clock: March 1, Rev. C. E. Smith, D. D.; March 8, Rev. A. S. Johns; March 15, Rev. W. A. Barr, D. D.; March 22, Rev. W. M. Dame, D. D.; April 5, Rev. W. M. Clark.

St. Paul's Church—Ash Wednesday, 11 a. m.; Thursday, Tuesday, Wednesday, Thursday, 4:30 p. m.

Grace Church—Ash Wednesday, 10 a. m. and 7:30 p. m.; Friday evening, prayer, 4 p. m.

St. Mary's Church—Ash Wednesday, high mass and holy ashes at 8 a. m.; Friday evening at 7:30 and every Friday during Lent "Way of the Cross," with benediction. Every Tuesday evening of Lent sermon and benediction at 7:30. Mass every day of Lent at 6:30 a. m. except Ash Wednesday.

THE WEATHER.—The cold wave predicted for Saturday night came on time and the rain which commenced falling that evening was followed by snow which covered the ground and which was accompanied by a high wind. The mercury dropped to 12° before Sunday morning and all yesterday the temperature remained cold while a penetrating northwest gale prevailed and continued till late into last night, the mercury dropping to 13°. Much ice formed in the river and the wind and cold made yesterday anything but an enjoyable day for those who had to be out of doors. In Baltimore yesterday was the coldest day of the winter, the temperature falling to within 3° of the zero point. In addition to the cold a cutting wind blew constantly during the day, increasing toward evening, until the streets were almost deserted by pedestrians.

Today the mercury rose to 23°.

COUNTY COURT.—The February term of the Alexandria County Court began today before Judge Love. A special grand jury was empaneled to indict prisoners who are now confined in the county jail. There are five prisoners awaiting indictment—two for house-breaking, one for highway robbery, and two others for minor offenses.

The grand jury this evening indicted Bert Thomas and Peter Morris for robbing a lady and maliciously wounding and Morris Carroll for robbery from the person.

Mr. C. C. Carlin, who for some months has been acting as Commonwealth's Attorney for Alexandria county, during the illness of Mr. R. W. Johnston, will, it is said, relinquish the office, and Mr. Johnston will resume office.

WEIGHTS RECOVERED.—A good result of the Mayor's recent order to junk dealers was the finding today by Officers Knight and Ferguson of some valuable brass weights recently stolen from Messrs. C. J. W. Summers and Richard Gibson. The name of the thief has not been ascertained. The stolen articles were discovered in a lot of rags that had been sold to a junk dealer.

The Quarterly Conference of the M. P. Church will be held tonight.

The Best Prescription for Chills and Fever is a bottle of GROVE'S TASTELESS CHILL TONIC. It is simply iron and quinine in a tasteless form. No cure—no pay. 50c

PERSONAL.—Messrs. K. Kemper and H. C. Ansley went to Staunton today to present in person the call recently extended to Rev. Dr. Brooke to become pastor of the Second Presbyterian Church of this city.

Mr. E. C. Dunn, who was recently elected City Engineer by the City Council, expects to assume, or rather resume, the duties of his office on Thursday, March 1.

City Auditor Price, who has been confined to his home for some time past by sickness, was able to be out again today.

Bishop Funston, of Idaho, and wife were the guests of Rev. S. A. Wallis, of Seminary Hill, Friday and Saturday. The bishop preached at the Seminary Chapel on Sunday morning and at Christ Church, this city, last night. He left for Philadelphia this evening.

Mr. James Wade, who has been sick for the past two weeks, is able to be out again.

Mr. William Habington gave an elegant card party on the evening of Washington's birthday at his apartments, in honor of Miss Bessie Lee, of Alexandria. Red and white roses formed the decorations, which were appropriate to the day. Progressive euchre was played, and the markers were little hatchets, flags, and satin roses of red, white and blue. [Richmond Dispatch.]

Mr. William T. Smith is confined to his home, on north Columbus street, by sickness.

Mr. Jacob Brill is confined to his home by sickness.

Rev. Joseph Packard, D. D., professor emeritus of the Episcopal Theological Seminary, is seriously ill at his home on Seminary Hill.

Mr. Louis Kraft has been appointed by the Virginia State Liquor Dealers' Association a delegate to the Pure Food Congress which meets in Washington next week.

Mr. M. B. Harlow has gone to Richmond on business.

Messrs. C. C. Carlin and L. C. Barley, who have been in Richmond, who have in Richmond for some time, spent yesterday at their homes in this city, but returned to Richmond yesterday evening.

Dr. Dienelt, who has been indisposed for the last four or five days, has improved so much that he was in his office today.

THE MIKADO.—The much-talked-of Mikado will be rendered by Sharns and Flats at the Opera House tonight, and promises to be a most attractive affair. The cast, which includes some of our best talent, has been chosen and the whole company will reflect great credit on their director, Mrs. M. W. O'Brien, whose patience and care has been unexampled, though not unappreciated. The interest which usually centers around an amateur performance is in no wise lacking, and society will turn out in full force to see their friends. The last rehearsal of the Mikado was in every way satisfactory, and it promises a splendid performance tonight. The sale of tickets has been most gratifying.

HIBERNIANS.—The Ancient Order of Hibernians of this city will celebrate St. Patrick's Day with a musical and literary entertainment, which will be given at the Young Men's Sodality Lyceum Hall, on Duke street, St. Patrick's Day, March 17, this time falling on Saturday. The Hibernians have decided to hold their celebration on Friday evening, the 16th, as it would be nearly impossible to hold any kind of a celebration on Saturday night. The speaker of the evening will be the Rev. Dr. Sheahan, of the Catholic University of Washington. From present indications the entertainment will surpass anything of its kind ever given by them before.

DEATHS.—Mrs. Kate Gorham, mother of Mr. Thomas Gorham, of this city, died on Saturday in Cleveland, Ohio, at the home of her son, Mr. George Gorham, aged 69 years. The remains were brought here this morning for interment. Mrs. Gorham was a well-known resident of this city, having come here in 1861, and but recently moved to Cleveland.

Mrs. Rose Posey, formerly of this city, wife of Capt. Posey, a well-known river, died in Washington yesterday. Her remains were brought here for interment.

DEATH OF J. H. BROWN.—James H. Brown, died at Elktion, Rockbridge county, on Saturday, of heart disease, after a short illness. He was a gallant Confederate soldier, and served throughout the war. For many years he had been in the hotel business, running the City Hotel, in this city, a hotel in Front Royal, and at the time of his death the Hotel Elktion, at Elktion. He was married once, but the relations were not pleasant, and he and his wife separated.

GRAND LODGE K. OF P.—Mr. E. R. Royer, District Grand Chancellor for the fourth district Knights of Pythias and representative of Lodge No. 3, in company with Grand Prelate W. H. May and Dr. A. F. Cox, representative of Oriental Lodge No. 6, will leave tonight for Winchester, Va., to attend the annual session of the Grand Lodge of Virginia, which convenes in that city tomorrow.

TO CURE A COLD IN ONE DAY. Take LAXATIVE BROMO QUININE TABLETS. All druggists refund the money if it fails to cure. E. W. GROVE'S signature on each box. 25c.

A RECEIVER ASKED FOR.—A bill in equity was filed today in the Circuit Court of Alexandria county by John B. Nierendorf against the Consumers' Brewing Company of Brooklyn. A receiver, injunction, account and discovery is asked for.

Judge Nicol upon hearing the bill and exhibits stated that proper writs and a rule to show cause, which is returnable on March 5, should issue.

For the Babies. There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquefies the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. For sale by all druggists.

DeWitt's Witch Hazel Salve is unequalled for piles, injuries and skin diseases. It is the original Witch Hazel Salve. Beware of imitations.

How Are Your Kidneys? Dr. Hodge's Strain Pills cure all kidney ills. 25c. 2 for 50c. Add: Sterling Remedy Co., Chicago or N. Y.

Four artillerymen from Fort Washington, who spent yesterday at Fort Hunt, had a rough experience in their attempt to get back to the first named fort last night. The boat grounded on the Virginia flats and after an hour being spent in the cold they were compelled to wade ashore through the ice.

Prevented a Tragedy. Timely information given by Mrs. George Long, of New Straitsville, Ohio, prevented a dreadful tragedy and saved two lives. A frightful cough had long kept her awake every night. She had tried many remedies and doctors but steadily grew worse until urged to try Dr. King's New Discovery. One bottle wholly cured her, and she writes this marvelous medicine also cured Mr. Long of a severe attack of pneumonia. Such cures are positively proof of the matchless merit of this grand remedy for curing all throat, chest and lung troubles. Only 50 cents and \$1.00. Every bottle guaranteed. Trial bottles free at E. S. Leadbeater & Sons' Drug Store.

"After doctors failed to cure me of pneumonia I used One Minute Cough Cure and three bottles of it cured me. It is also the best remedy on earth for whooping cough. It cured my grandchildren of the worse cases." writes John Berry, Logansport, Pa. It is the only harmless remedy that gives immediate results. Cures coughs, colds, croup and throat and lung troubles. It prevents consumption. Children always like it. Mothers endorse it.

Mrs. J. K. Miller, Newton Hamilton, Pa., writes: "I think DeWitt's Witch Hazel Salve, the greatest salve made." It cures piles and heals everything. All fraudulent imitations are worthless.
